

\\# ■■ UAE Payroll to Payslip Process - Quick Guide

****Quick Reference for UAE HR Team****

■ 4-Step Process Overview

^^^

1. Generate Payroll → 2. Mark Payments Complete → 3. Generate PDFs → 4. Send Emails

Step 1: Generate Payroll

****Endpoint:**** `POST /payroll/generate`

****Request:**** json

```
{
  "monthYear": "2025-10",
  "filters": {
    "status": ["Active"],
    "country": "AE"
  }
}
```

What System Does:

- Collects attendance records (present/absent/LOP days)
- Collects approved leaves
- Collects approved overtime hours
- Calculates prorated salary based on attendance
- Calculates fixed travel allowance (AED)
- Calculates overtime pay
- ****NO STATUTORY DEDUCTIONS**** (UAE has no EPF/ESI/Tax)
- ****LOP Deduction Applied**** (Loss of Pay for unpaid leave days)
- Creates payroll with status: ****Draft****

****UAE Salary Calculation:****

Payable Days = Present + Weekend + Holiday + Approved Leaves

Attendance-Adjusted Gross = (Monthly Gross / Total Days) × Payable Days

Earnings:

- Basic Salary (45% of gross)
- Other Allowance (40% of gross)
- Travel Allowance (Fixed amount from salary assignment)
- Overtime Pay
- Reimbursements

Deductions: ■■ LOP Deduction (unpaid leave days prorated from gross)

Net Salary = Gross - LOP Deduction + Travel Allowance + Overtime + Reimbursements

CTC = Gross + Travel Allowance + Reimbursements + Insurance + Overtime

Response Example:

```
json
{
  "success": true,
  "data": {
    "totalRecords": 150,
    "totalActiveEmployees": 150,
    "totalGrossSalary": 1500000,
    "totalNetSalary": 1500000,
    "totalDeductions": 0,
    "status": "Draft"
  }
}
```

Step 2: Review Payroll Summary ****View Summary:****

GET /payroll/summary?month=10&year=2025&country=AE Response Shows: - Total employees processed

- Total gross salary (AED)
- Total net salary (AED)
- Present days, LOP days
- Bank account details for each employee
- Status breakdown

```

**Then Update to InPayment:** json
POST /payroll/status-update
{
  "recordIds": ["payroll_id_1", "payroll_id_2", ...],
  "status": "InPayment"
}

## Step 3: Mark Payments Complete
Excel Import (Recommended for WPS)
**Endpoint:** `POST /payroll/import-payments`
**Upload Excel with:**
| Payroll ID | Employee Name | Status | UTR Number | Failure Reason | | ----- | ----- |
----- | ----- | ----- | | 670abc... | Ahmed Ali | Completed | WPS123456 |
| | 670abc... | Sara Khan | Completed | WPS123456 | | | 670abc... | John Doe
| Failed | | Account suspended |
**Status Changes:** `InPayment` → `Completed`
---

## Step 4: Generate Payslips (PDF)
**Endpoint:** `POST /payslip/bulk-generate` **Request:** json
{
  "monthYear": "2025-10",
  "filters": {
    "status": ["Active"],
    "country": "AE"
  }
}
} System Process:
1. Fetches employees with **Completed** payroll only
2. Generates PDF from template (CD_paySlip.docx)
3. Includes: Employee details, salary breakdown, attendance summary
4. Converts DOCX → PDF using LibreOffice
5. Uploads to GCP Storage
6. Status: **Generated**

**Response:** json
{
  "success": true,
  "data": {
    "successCount": 148,
    "failedCount": 2,
    "results": [
      {
        "userId": "670abc...",
        "status": "Payslip Generated",
        "pdfPath": "https://storage.googleapis.com/.../Ahmed_Ali_2025_10.pdf"
      }
    ]
  }
}

## Step 5: Send Payslips via Email
**Endpoint:** `POST /payslip/send`
**Request:** json
{
  "monthYear": "2025-10",
  "filters": {
    "status": ["Active"],
    "country": "AE"
  }
}

```

****Email Details:****

- ****Subject:**** Your Payslip for October 2025
- ****Attachment:**** PDF payslip
- ****Language:**** English (or Arabic if configured)
- ****Status Update:**** Generated → ****Sent****

****Response:****

```
```json
{
 "success": true,
 "data": {
 "successCount": 148,
 "failedCount": 2,
 "results": [
 {
 "employeeId": "670abc...",
 "status": "success",
 "message": "Email sent successfully"
 }
]
 }

### ### UAE Salary Components Example:

...

Employee: Ahmed Ali

Monthly Gross: AED 10,000

Travel Allowance: AED 500 (fixed)

Working Days: 30

Present Days: 28

LOP Days: 2

Calculation:

Payable Days = 28 (Present + Weekends + Holidays + Approved Leaves)

Unpaid Days = 30 - 28 = 2 LOP days

$$\text{LOP Deduction} = (2 / 30) \times 10,000 = \text{AED } 667$$
$$\text{Prorated Gross} = (10,000 / 30) \times 28 = \text{AED } 9,333$$

Components:

Basic (45%):           AED 4,200

Other Allowance (40%): AED 3,733

Travel Allowance (fixed): AED 500

Overtime (10 hours):      AED   500
